Incom-ing!!

KYA— KYA—

WA— WA—

UWA WA WA WA WA WA!

This is no time to scream like little brats, you spineless worms!!

Afraid of a **battleship**, and you call yourselves **pirates**!?

Those guys won't attack us.

We have the **trea-sure**.

A click sound-wave!?

They intend to stun us!

!!

Jam their sensors with the bubble-screen!!

KUN!

Hard to port!!

Save the mirth for later!

The **treasure** is as good as ours.

Eat that, you bastards!!

We did it!

Right now, let's skedaddle!

FULL SPEED AHEAD !!

What the hell!?

Uwah!

They're going to destroy us along with the treasure!?

Those dirty bastards ...!!

They fired their main cannons !?

Emer-gency Blow

!!

!!

We're almost .....

There

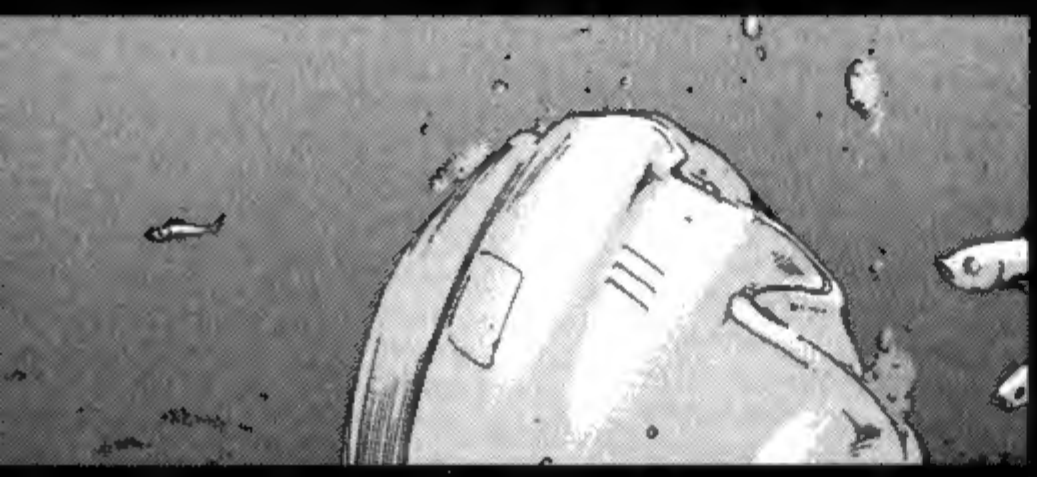
Ahh!

The treasure ...!!

One day , a terrible disaster struck our world.

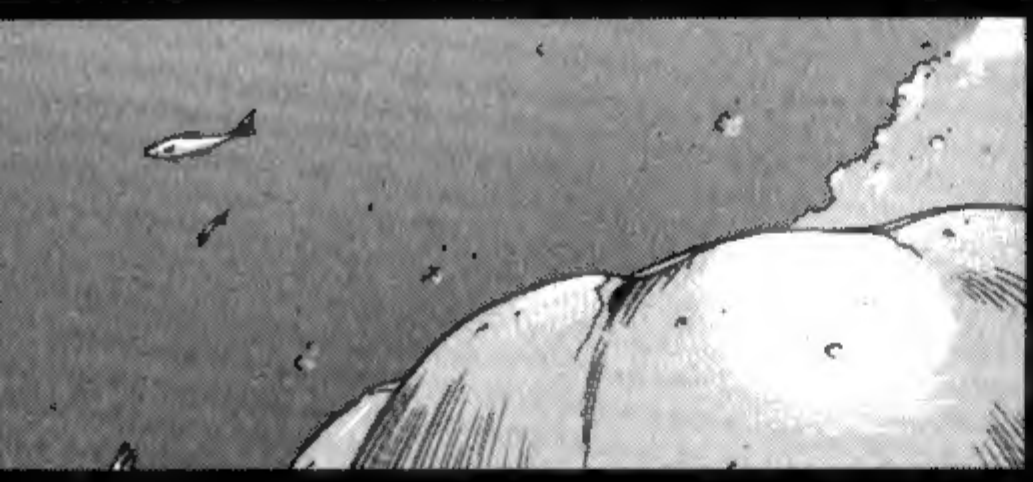
"THE GREAT SINKING."

Civilisation as we knew it
collapsed during its terrible fury.....

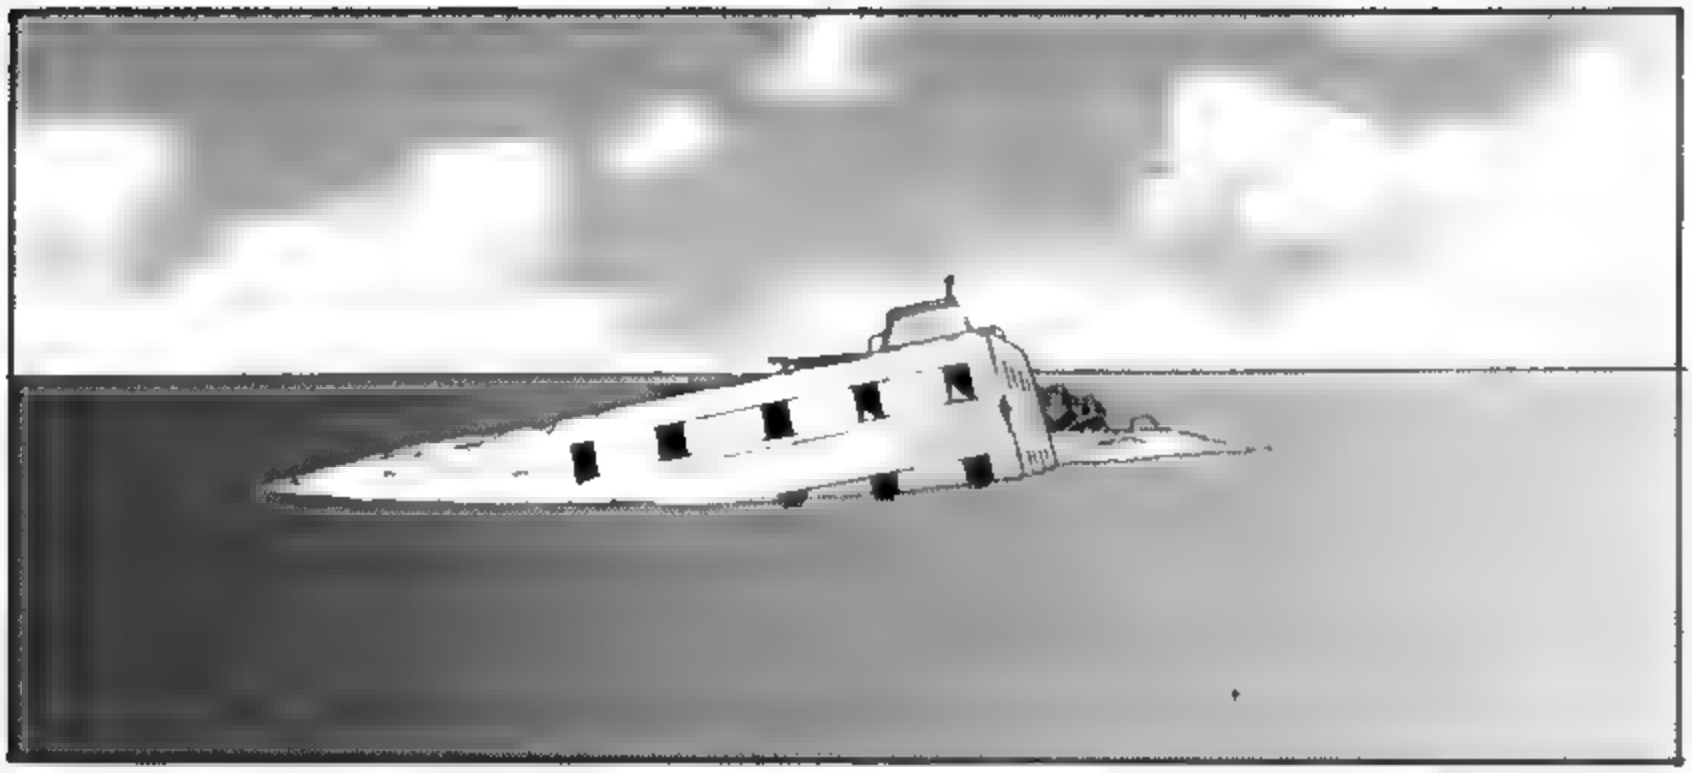


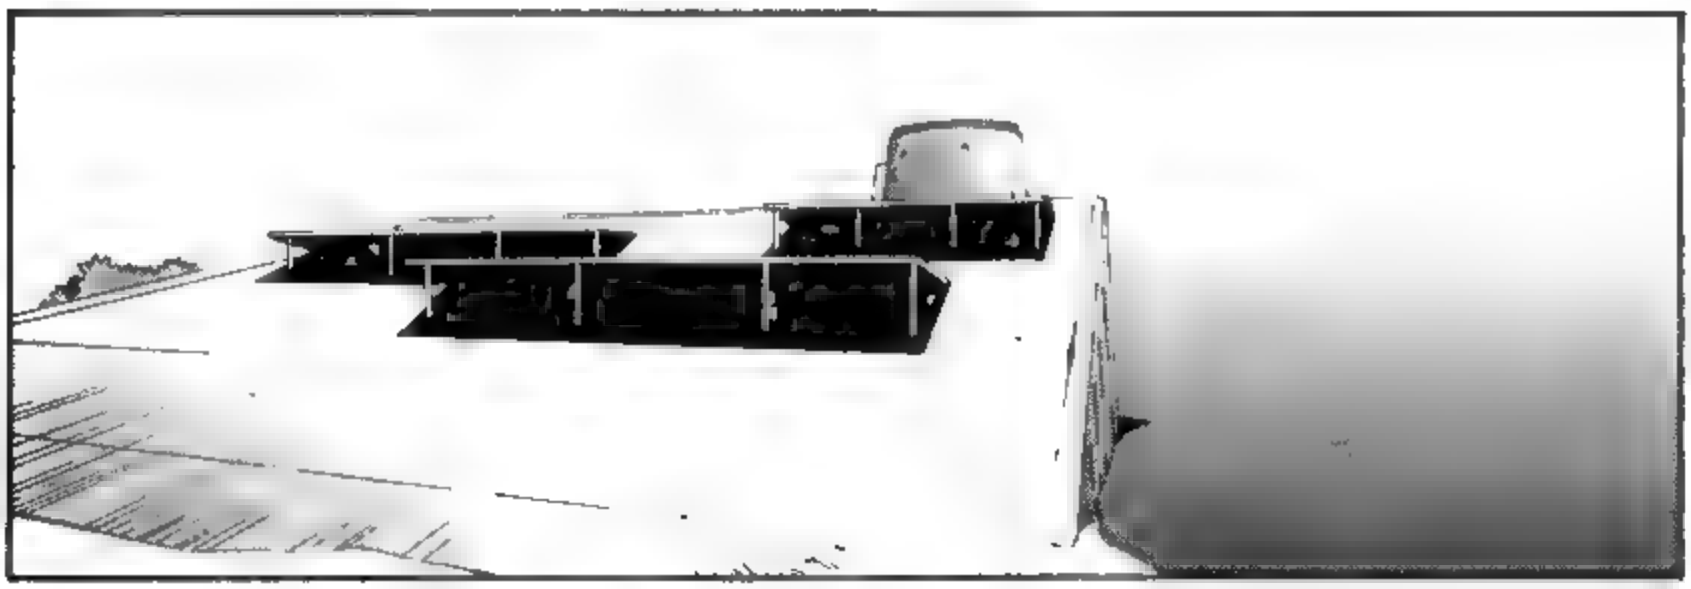
Death indiscriminately
visited those who struggled for their
lives and those who had given up all hope;
the world changed completely.

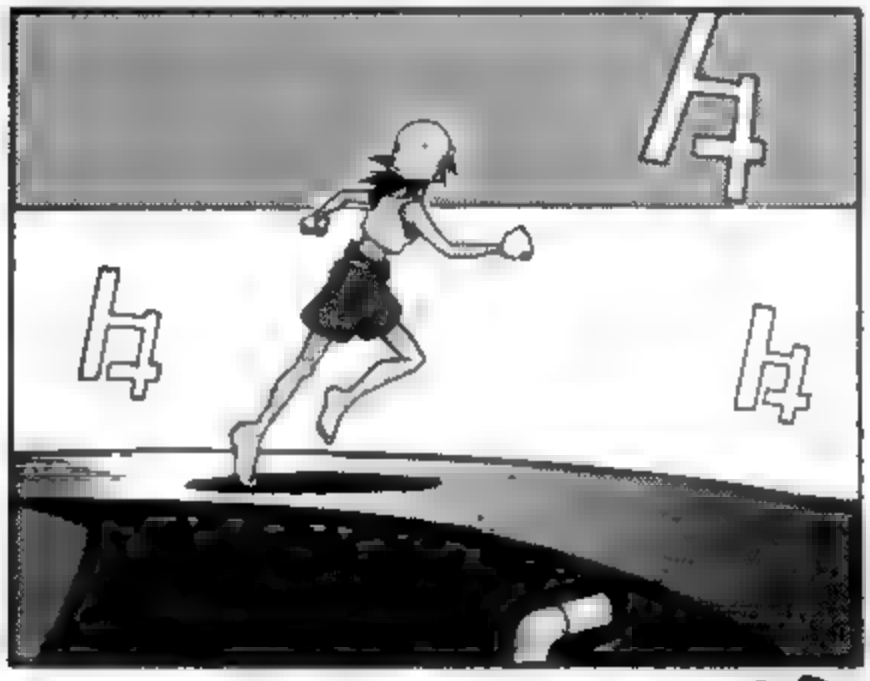
Our world became a sea of
floating phosphorescence.



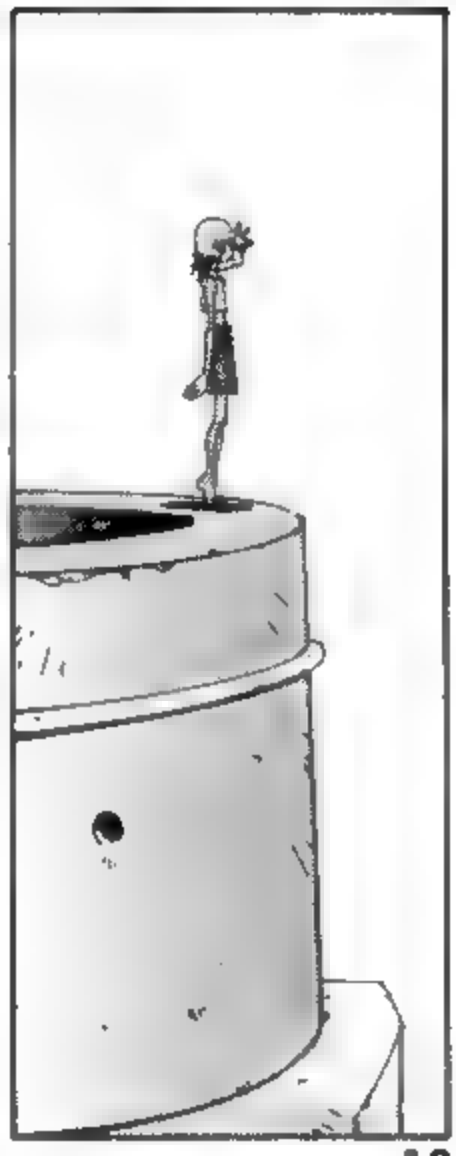
Now, once again,
we spin our "Myths"……
第1話 [Visitor]







ﾋｭｰﾝ!



Wada-tsumi

Going diving?

UH HUH!

Whenever the sea grows wild ...

I can't help but remember the great sinking

That time of year already!?

Ohh.

Aww, no good

How about these parts?

The storm last night was mighty fierce.

Be careful.

Ho!

Hoh!

Saw a pretty big one!

Good job, Wadatsumi!

This is splendid.

Hoh, Hoh!

Let's clean it right away

Wada-tsumi!

Are you listen-ing?

By the way ...

It's almost time for lunch.

Yay!

I made it from the metal fish.

Wah!

Geez!

Fish for lunch, yeah, yeah!!

Good luck!

I heard you!

If you can, some sea bream would be nice.

Well...

I reckon there are others out there in this world.

It's just too big.

All of us combined wouldn't be able to lift it.

Now then, what do we do about this?

Any-way ...

Are Wadatsumi and the four of us on this island the only ones left?

Agreed

Let's have Wadatsumi do it later.

Yes, yes.

Hm?

Is she dead?

Great, let's dig in!!

NO~~~~~!!

Fiat-sama, there's an island.

Ahhh.

I wonder where the **treasure** went. .?

I knew it was impossible to take on a battleship

I.. I almost thought we were goners.

What!? Could it be ...!?

Mu!

Lay in a course!

Boys!

I smell treasure!!

Aye aye, captain!

Watch where you're touching!

Ahh!

Beautiful treasure salvaged from the bottom of the ocean only to be cherished by me!

Gold is "virtue", but arouses human desires

Emeralds of "happiness".

Diamonds are "purity".

Anego! We've finished with repairs!

Ah, how embarrassing!

?

Anego!?

When are we gonna set out!?

第2話 [[Pirates]]

FIAT: "SHUT UP!!"

We'll ambush them during the night!

Fiat-sama.

I've finished scouting the enemy.

Didn't you tell us we're in a hurry ... .!?

The problem is whether or not the treasure washed ashore over there.

Good job, Ginther!

We'll interrogate them about it later.

I've confirmed four unarmed old men and one kid on the island!

I think the old men are survivors of the great sinking.

Ji...?

Hey.

Did the occupant leave it out of her own volition?

Her life support system we recovered is still functioning.

... it's definitely there.

Hau!!

Ohh!

Bam!!

Once we have it, we can get a good deal!

To the point they secretly hired us pirates to look for it.

Those guys from the revival committee are desperately searching for this living treasure...

It's best to rest your weary body from time to time!!

When one grows tired of life in the sea...

.....Where'd ya go?

Wada-tsumi?

Hey!

Wada-tsumi.

We'll wait a little longer.

Oi!

Hey, let go, you stupid octopus!

Nu~~~~

Tah!!

Kono kono kono kono kono kono kono kono!

Ahhh, you're in the way!!

Guess it can't be helped.

URU URU

I just remembered that gramps' specialty is taking machines apart!

Ow ow ow, I'M kidding! Ow, can't ya take a joke!?

Can you be quet!?

What, she still hasn't woken up yet!?

Huh!?

Where did you go!?

What should we do? Her fever hasn't gone down.

FUMU...

Keep it down.

Anyway, why didn't you come as soon as I called you?

This thing won't come off!!

What's
wrong,
gramps?

The stars were falling?

So the hoop turns into a screen?

People can't fly.

More like they were flying through the sky.....!!

Wadatsumi, what happened to the metal fish from this afternoon?

Ah!

Goho!

Goho!

Even so...!

Oh, yeah!

Settle down, you're not as young as you used to be.

Ha, the world has already been destroyed.

It was a portent to some sort of end of the world.

Almost like ...

Yeah, yeah.

Man, when is this girl going to wake up?

So much time has passed since we were stranded on this island.

Are there any survivors elsewhere...?

Because there are so many things I want to know.

Then at least Wadatsumi can...

If there's life or civilization, then perhaps we could go there....

Said something about the stars...

I wonder what's wrong with Jii-chan?

Jissama said it looks like he came down with the snakes.

And now!

I'm sleeping with Jijii today.

Ojii is watching over that weird person...

Don't move.

WAH !!

Oops, don't move!

So you saw her?

You just said something about another outsider.

I* am the pirate mecha genius, Wolfgang-sama.

We're currently searching for something.

Who are you!? Another outsider!?

Fu fufu, don't move!

Don't try anything funny.

Don't scare me like that!

Now slowly raise both hands above your head .....

Yosh!

That means the treasure is here after all.

And?

WOLFGANG I SAID. "DON'T MOVE!"

Annoying!

PIN!

... You're ...

PIN!

PIN!

*TL NOTE: BOTH WOLFGANG AND WADATSUMI USE THE PRONOUN ORE-SAMA TO REFER TO THEMSELVES

Besides, the only one allowed to use ore-sama* is me!

I'm in a bad mood right now.

I don't know who the hell you are, but...

Cheh.

Don't give me that dirty look!

Mmph!!

Pirates?

What do you intend to do with that girl?

THANK YOU FOR YOUR COOPERATION!

Ginther! Whack that old fart a few times!!

Haguh!

That is all!

We're going to sell her!

For as much as we can!

ドサッ!

It looks like our world is in danger once again.

I'm watching over that girl's Fate.

FLOP

The former civilization developed and manufactured the science that we now possess

And then they drove themselves to ruin.

I can see it.

Every-thing is according to Izanagi's will.

UGAA!!

If it's about a while ago, don't worry about it!

Why are you acting so timid?

Anego .....

Prepare the sub-marine. ..?

OK?

Well then, prepare the sub-marine. ♡

I knew it.

However, once we return, I'll apply the moxibustion to your back*.

It seems we made it out.

WADATSUMI: "ORAAA!"

Huaa

It's starting to rain.

Such a boring place...

.....
Hmph.

Depailler-sama, may I come in?

KoN KoN

I have come to report that we have received word from Le Bleu Perle, whom we lost contact with the other day.

Please pardon my intrusion.

Enter.

.....

Hah?

That's enough, Gianni.

So why am I in this remote region?

Aren't I the Number 3 of the revival committee .....?

This doesn't suit me at all.

I should be in the middle of the mission.

I'M doing no such thing!

If that were true, then I would be reporting the discovery from the search ship, no?

But Depailler-sama...

It's because you have been assigned to command the search for Ryouguu.

.....

... Well, it's OK.

Continue the report.

H... Hah!

Le Bleu Perle, during the two day period we lost contact with them, captured an item.

According to the message we recently received .....

They believe it is perhaps the target we have been searching for...

So, they're returning as soon as possible.

GIANNI!

They'll give us the fine details after they arrive... end of message.

Depailler-sama!?

You should've told me earlier!

Kii...!!

You've wasted a great deal of my time!

It is said its shape will change into more advanced forms the more one fights with it .....

I should have noticed while we were on that island!

We were completely taken in by that girl!

To the point she used herself as a decoy ...

Oh yeah, I like this little guy too!

Thanks!

But I believe they might be alive and well somewhere out there...

That's what I thought when I met you!

It seems they went too far out to sea and never returned.

I heard my mom and dad died a long time ago...

I Ah... err

Wadatsumi...

So

Thinking about that makes me happy...

Someday, once I'm strong enough to not be wiped out by the ocean, I'll go look for them.

I had long forgotten

Because it thinks you're useful...

... but this little one still wants to be with you.

Really!?

Ehh!?

Thank you!

Izanagi "Garyuu" also likes you.

Mw!

I became a coward in order to forget such an important thing. It hurt so much, I was afraid and timid

My true feelings... My naked self

Right now, I want to share everything.

Garyuu, huh...? Strong name.

Currently you're suffering from dozens of compound fractures across your entire body from the blows you received. Additionally, your ribs are broken and your internal organs are damaged. It is likely you'll suffer cardiac arrest from the excessive bleeding.

Ah, what?

While it might not be possible for your empty head to understand this right now, I am a part of you and I am communicating directly with your consciousness.

Stupid bastard!

For Clair's sake and my own, I can't lose!!

Hi...

You still have to become stronger

Not sup-posed to be ...

Meipa.
How is it over there?
It's clear!
Big sis..... Cynthia says she wants stronger opponents.
Oh... How about you, Rachel?
It's the same on the right.
Is that so...?
But...
I wonder how those two are faring?
It looks like we finished off most of them.

It must be troublesome handling the fighting of two people alone.
Not surprising.

You're breathing rather heavily, aren't you, Kisurin.....?

You know she would be better off dead!

Ugh ...

You were covering for Clair again?

Act according to the law HERE... OK?

Kisurin..... please become stronger if you want your dreams to come true.

Such a shameful girl.

Are you trying to make Clair indebted to you?

Aaah !!!

Why can't I fight on the same level as they do.....?

Kisurin
.....

ﾌﾆｬ

I must train myself to become stronger ...

Stronger .....

You are the chosen soldiers!
I have great expectations for you, the wielders of Izanagi.
While it may be unlikely now, when the one amongst you, who has mastered using Izanagi, reaches the pinnacle...
I, Otohime, will pass down the "Amanonuboko" I possess to that one.

Do you seek strength?

What do you fight and struggle for?

The one who reaches the top... The one who will become **Izanagi no Mikoto,** will be able to know for certain.

WADA-

PLEASE FORGIVE KISURIN.
